

AZ HSI Summit: Proposal Submission Form

The AZ HSI Summit is a one-day in-person conference that will bring together faculty, staff, administrators, students, and community partners to 1) showcase and exchange evidence-based practices that are effectively supporting Latinx students and their success 2) build capacity among faculty and staff to teach, lead and advance as an HSI and 3) enable opportunities for networking and community building among AZ HSIs and emerging HSIs. We welcome proposal submissions from faculty, staff, administrators, students, and community partners who are passionate about Latinx student success, want to share what's working to advance Latinx postsecondary attainment, and share their expertise to enable scaling of evidence-based approaches across AZ HSIs.

When: Friday, October 4, 2024 from 8:30am- 4:30pm

Where: Northern Arizona University, High Country Conference Center

Submission Deadline: March 15, 2024

Decision Notifications: April 15, 2024

NEW: We have added a STEM track this year! This track is being added through our HSI Hubs Listo Grant funded by the National Science Foundation.

Proposal

The summit will be an in-person event. Presenters will be expected to engage participants in interactive presentations, professional development and capacity building activities, and be prepared to respond to post-summit requests for more information. If selected, presenters will agree to share a copy of their PowerPoint slides and/or other presentation materials. Presentations will be shared broadly and recognized on the AZ HSI Consortium website, among other communication channels.

17. Session Title: (10-word max) *

18. Session Description: (250-word max) *

Please provide a 250-word description of your session, including a summary of the topic , takeaway and learning outcomes. This is the primary element of your proposal that the reviewers will use to evaluate your session. Note that if your session is accepted, you will be asked to provide a refined 5 word summary for the summit program and marketing materials.

19. Short abstract *

Please provide a 115-word description of your session, this will be included in any printed material of the conference.

20. Please select the theme/topic your session aligns with: *

Check all that apply.

- Evidence-based approaches, strategies, and programs that improve educational access, college readiness, transfer, retention, and postsecondary attainment among Latinx students
- Efforts that foster a sense of belonging among Latinx students
- Effective models and collaborative partnerships that lead to robust transfer rates among Latinx students
- Multi-institutional and community partnerships aimed at advancing HSI efforts
- Inclusive and culturally responsive pedagogies and practices
- Effective strategies that improve college affordability
- Effective strategies for increasing diversity among faculty and administrators
- Organizational and policy structures advancing institutional missions as an HSI
- Evaluation and assessment strategies of HSI related efforts
- Implementing and expanding dual enrollment programs at your high school
- HSI STEM Track - STEM equity initiatives/STEM workforce
- Not listed

21. If theme/topic is not listed, please add:

22. Please describe how your session aligns with the theme or topic you selected. (100-word max)

23. Please select the format of your presentation *

Check all that apply.

Traditional Presentation- Traditional presentations focus on a single topic or program, including talk or media presentation followed by a short discussion and Q&A with the audience.

Roundtable- Roundtable discussions emphasize spirited discussion between the presenter(s) and session attendees about a central question or issue. Presenters briefly introduce an idea or issue they wish to explore, and then open the discussion for input and exchange of ideas among participants.

Workshop- Summit workshops are designed to provide hands-on/interactive presentation of materials for skill-building and professional development. Workshops should provide the opportunity for attendees to develop new and/or strengthen existing skills

Other

Other: _____

24. If other, please describe what kind of interaction and engagement will be provided in your session content. This will help set expectations for what attendees will experience. (150-word max)
