

# 2023 HSI Grants Development Institute

In November 2023, HSI Initiatives held its 3rd annual HSI Grants Development Institute at The University of Arizona. The purpose of this full-day institute was to: generate awareness of Hispanic Serving Institution (HSI) related funding opportunities; strengthen understanding of HSI models and frameworks; and cultivate potential networks among those with shared equity-focused interests for pursuing HSI funding opportunities.

57

participants from seven Arizona HSIs

70%

of registrants indicated they had never applied for an HSI grant

39

UArizona faculty and staff attendees from over 25 different colleges and units

18

people from non-UArizona institutions

## Feedback

92%

recommend the institute be offered in the future

86%

have greater awareness of HSI funded opportunities

86%

felt more prepared to pursue HSI grant opportunities

"The frameworks exploration will be so useful long term for my team and I've started to follow the HSI grants folks online." - Attendee

"This institute is based on extraordinary expertise, practical examples and the possibility to embrace a community of future collaborations and potential ideas." - Attendee
