Drawing on research based on culturally relevant and sustaining pedagogy, this presentation will include key ways that higher education faculty across the disciplines can center minoritized students' academic learning in their classroom.

Featuring Keynote Speaker:

Dr. Milagros Castillo-Montoya, Assistant Professor of Higher Education and Student Affairs in the Neag School of Education at the University of Connecticut

Closing remarks: Dr. Guadalupe Lozano

Associate Research Professor, Mathematics & Director, Center for University Education Scholarship (CUES), University of Arizona

Brought to you by:

Faculty Affairs

Hispanic Serving Institution Initiatives

Sponsored by:

Strategic Plan
